## Laboratory testing for Florida residents and non-Florida residents over the past 2 weeks

### Number and percent of positive labs

These counts include the number of people for whom the department received laboratory results by day. This percent is the number of people who test positive for the first time divided by all the people tested that day, excluding people who have previously tested positive.

## Emergency department (ED) chief complaint and admission data for Okaloosa County

### Daily percent of ED visits mentioning cough, fever, or shortness of breath

### Daily percent of ED visits resulting in cough-associated admissions

### Weekly count of ED vists for influenza-like illness

### Weekly count of ED vists for COVID-like illness

The Electronic Surveillance System for the Early Notification of Community-Based Epidemics (ESSENCE-FL) includes chief complaint data from 211 of 212 Florida EDs. Data are transmitted electronically to ESSENCE-FL daily or hourly.
